

All-New Nissan LEAF^{®+} World's Best-Selling Electric Car¹ – 100% Electric

Want to join us in making a difference?

As part of our effort to accelerate electric vehicle transportation alternatives throughout the United States, Nissan North America, Inc. is offering eligible customers of Pacific Gas and Electric Company (PG&E) a special opportunity to purchase the all new, 100% electric, 2018 Nissan LEAF[®]. With each new 2018 Nissan LEAF[®] purchase during the program period, eligible customers can receive a \$3,000 rebate² off MSRP, during the program period, plus a potential Federal tax incentive of up to \$7,500.³ State incentives may also be available!³

How do you receive this great incentive?

Simply bring a copy of this flyer, both pages, along with your Monthly Utility Bill & Valid ID to your participating local Nissan dealership* to receive a \$3,000 rebate² (off MSRP) on a new 2018 Nissan LEAF[®]. This limited time offer expires July 2, 2018 and cannot be combined with other Nissan special incentives.

Fleet Certification Code:

B66874
